Jul 20, 2020 · Migrating to Mac from Windows 7 or Windows 8/8.1. July 20, 2020 by Michael Han To download Migrate to Mac from Windows 7, you will need to get administrator rights first. By default the App Store is running in administrator mode, so if you're an occasional user you'll probably not be authorized to install apps. First, go into System Preferences -> Security -> General, and be sure that "Allow applications downloaded from anywhere" is turned on. Next, click on the App Store icon in the Dock and choose "Open App Store." Once it's open, go to the Apps section of the Store, and search for Migrate to Mac from Windows 7. Click Get, then the Install button to make the "Migrate to Mac from Windows 7" app available on your desktop. If you're asked for your administrator password, give it. Once you're finished with installation, restart your Mac, and enjoy the new experience. I want to migrate a Mac to Windows 7. I am a company owner.
