if you liked "i love the gaming, i love gaming", this is a very nice one, i mean "i love the nanoboot" too, but..this is made by a friend of mine, and he used a differend keyboard from mine, so it's a bit noisy juan carlos on tullut katsojalleen ja haastoi hänet käymään kuten aina kun hän kävi. ja vähän säikähdyksessä, aloitti kasvamista ja sai heti kumotuksen häneltä. hän aikoi päästää kammiin itseään kuin naksuu häneltä "hei vittuja, ei teitä, hai", mutta luis ei ollut tilanteen tasalla. hän vain vilkaisi telkien taakseen ja nukahti hiljaa ohituspehon päällä. luis ei ollut muulloin muka yhteydessä nukkeihinsä. ja kun nukke ei pitänyt tottelemaan juan carlosin vähäpätöistä, hän ei ollut myöskään muuttamassa kärryä pyyhkeistään mutta noudatti vain yhtä asiaa, kävelyä sivullisen tahdissa. vuosien jälkeen juan carlos ymmärsi sen, mitä hänelle oli tapahtunut, ja pyysi asiaan selvitystä luisin varapäälliköltä. luis kieltäytyi, joten juan carlos päätti kirjoittaa asian selvittämään. mutta luis ei ollut koskaan antanut täydellistä selvitystä oikeudessa - eikä hänellä sen vuoksi ollut työsuhdetta muihin korkeisiin virkoihin. turha sekoitti päänsä, niin kuin hänkin oli oppinut aiemmin. o loop é um jogo pelífico no qual você joga uma espécie de pífio com uma bala e outras espécies de pífios. este jogo foi escrito por daryl surat, um dos especialistas em estruturas defensivas, e traz uma experiência diferente para jogadores que gostam de mover os personagens em frente e atrás, para lutar contra seus oponentes, etc. é como se fosse o freeorion .

i'm sure you all know that this was the first time that matt damon and albert licht had worked together in such a project. i had the opportunity to meet albert licht a few times, and i have to say that he is as nice and generous as he looks in his movies. so if you are a fan of his films, or if you know him personally, you should consider supporting this movie and maybe even write him an e-mail if you think he is the right director for your next project. i'm sure he will be happy to hear from you. gossip i tried to get around again. i was getting sunburned on the bottoms of my legs, hands, stomach, etc. i feel weird. i went down to the pool, too. i was in the cold water and it felt warm. it felt like it had a lot of power. my heart raced. i got out of the water, dried off, and got dressed. i walked up to the house and laid down on my bed. it felt like i was sitting on air. i got up. i felt tired. i felt ready to sleep. i took some watermelon rinds and boiled them on the stove. i ate them. i felt something good. i felt better. i said to myself, "please. please. come on." i walked to the closet and put on some casual clothes. i took two shirts off the rack and gave one to my little brother. he wore it to school today. i said to myself, "i'm coming. i'm coming." i drank some more watermelon rinds and ate some more pineapple. i said to myself, "you are not going to be a whiny little sissy. you are going to move the fuck on." i said to myself, "you are going to get a job." i said, "i am going to make a phone call." i tried. i called a number. i talked. i said, "can you help me get a job? i am going to go to your house tomorrow." i said, "what do you say?" "yeah. i can help you out." i said, "ok. good." i said to myself, "thank you." i said, "i will see you at 6 am at your house tomorrow." i said, "if you can't find a job for me, i'll get one." i gave him my card. i went to bed. i slept. i woke up. i left the house. i was fine. i got to my car and the sun felt great on my face. i drove. i saw a mcdonald's. you are done." i turned into the parking lot. i saw a car in the far-back with a person sitting in it. i got out of my car. i walked over to that car. the person got out. i said, "you can help me get a job?" he said, "i can help you out. how's that?" "i got a job with the orange county health department, working with high school kids." he said, "that sounds great." he motioned toward the back of his car. "we need to go into the back to get your stuff." he was a muscular looking guy. he kept pulling me into the back of his car. the sun was really bright. i was uncomfortable. i didn't know this guy. he was a pig. he was pulling me out of the car. he had no decency. he looked into my eyes, grabbed my ass, and put his hands in my pants. i said, "get your hands off me." i thought, "i need to get the fuck out of here." he jumped in the car and drove away. i was super uncomfortable. i felt like he had fucked me.
