Hans Ulrich Klose, in charge of the entire project, reports on his experiences with two recent publications. During the week of April 7-13, the Rosa Luxemburg Center Berlin will present a series of events on the theme of German memory and the persistence of the past. For more information, visit their website. When I was still a student, I visited and spent some weeks in East Berlin. While on my way back, one day in Warsaw, I bought a copy of "Eastern Europe: An Encyclopedia of the Region." I then went back to Germany with a suitcase containing lots of books about East German history and culture that I collected during my trip. Those years have long passed. We have heard about the "Russian spring" in Ukraine and Belarus. The German public has gradually grown aware of that many Germans who were either part of the Nazi regime or sympathized with National Socialism did not condemn or prevent what happened during the Holocaust. Nobody has made a secret of the fact that some Germans still consider themselves guilty in the eyes of the law. But how do
