The 2019 Price Is Right theme is inspired by one of the most iconic eras of television game shows. From June 14 to July 20, the top prize of \$250,000 will be entirely made up of classic 90s prizes, including the game-ending car, a giant duffel bag, and more. What does this mean for contestants? There will be 3 main rounds of play, culminating in a Winner's Round showcasing the classic prizes. The decade-spanning theme will be broken down into three milestones: the 70s, 80s, and 90s, with three full rounds of play at each milestone. The news is even more exciting as the New Price Is Right contestants will get to see the fabulous prizes from 2018 in the introductory round of play! Since the debut of the Price Is Right in 1956, the show has been a cultural phenomenon. The show is the longest-running game show in American history, and is watched by more than 800 million people annually. With the show back for its 50th season, it's never been more popular. With such a long history, there have been many memorable moments in the Price Is Right throughout the years. The question now is, will the prizes be nearly as memorable? We'll have to wait and see! Bonus Round: Travel and Romance April 17, 2019 On the Bonus Round, the contestant will play for travel/romance. The contestant will try to rack up as many points as they can during a three-minute round. In this second round, contestants will be able to earn points by correctly picking winning numbers in the Studio and/or from across the country, as well as bei
